FOR A RICH BEEF BASE use 3/4 tsp Beef Base for each cup (8 fl oz) boiling water (this is equivalent to 1 bouillon cube and is more flavorful). Plain broth is good food for those times you're under the weather. Add cooked vegetables or noodles for a quick lunch.

Use Beef Base to enhance or "beef up" the flavor of soup, stew or gravy. To 2 quarts of simmering (200°F) soup or stew, add 2-3 tsp Beef Base. To simmering (200°F) gravy, add 1 tsp Beef Base to 2-3 Tbsp beef drippings to enhance the flavor of 2 cups gravy.

In a pinch, make beef gravy by simmering (200°F) 2 cups water with 2 tsp Beef Base, then slowly drizzle in 1 Tbsp Arrowroot Starch mixed with 2 Tbsp water and cook until thickened.
